## Expressions of Time: Photographing a Solution The Biggs Museum of American Art

**Dover, DE –**

Through our dedication to advancing the professional careers of local artists by hosting periodic exhibitions, the Biggs Museum is proud to host *Expressions of Time: Photographing a Solution*. This exhibition, open April 18 through June 1, 2008, features over two-dozen works of art by nine photographers that describes their interpretations of the passage of time. The participating photographers are members of *Art Lane PCG*, a small group of area photographers who improve their professional skills by critiquing each other's work. Their work displayed in this exhibition is unified by answering a single question, "How do you represent the passage of time in a photograph?"

*Expressions of Time* will open with a public reception on Friday, April 18, 2008 from 5:30 to 7:30 in Galleries 13 and 14 at the Biggs Museum. The opening reception will offer an excellent opportunity to meet the featured artists, enjoy some light fare with friends and discover your own resolution to *expressing time* with family-friendly interactive displays. The cost for this program is \$10 for members and \$12 for not-yet members. Please RSVP by calling (302)674.2111 or register on-line at [www.biggsmuseum.org](http://www.biggsmuseum.org).
